

## BACKGROUND

The initiative on Scholarship Offerings for ASEAN Researchers Graduate Programs in Science and Engineering is a Philippine commitment at the sidelines of the 9th Informal ASEAN Ministerial Meeting Science and Technology (S&T) held on October 29, 2016 in Cambodia. Originally, it was established to commemorate the 60th year of the diplomatic relations between Philippines and Cambodia. In line with the objectives of the ASEAN STI Partnership Contributions particularly on the ASEAN-help-ASEAN scheme, the initiative is extended to researchers from Lao PDR and Myanmar.

This has been established to promote human resource development in engineering and sciences for sustainable socio-economic development of the ASEAN region.

## HOW TO APPLY

Please note that an application without an endorsement letter will not be accepted. The applicant is required to submit the following documents to his/her home country's Philippine Embassy:

1. Properly Accomplished Application Form;
2. Endorsement Letter from the Sending Institution;
3. Recommendation Letter from two (2) former professors or supervisors;
4. Certified True Copy of Official Transcript of Records (TOR);
5. Letter of Acceptance from the preferred Philippine-university;
6. Original and photocopy of birth certificate;
7. Original and photocopy of police clearance;
8. Certification from the employer that the applicant is permitted to take leave of absence (if applicant is employed);
9. Certified Letter on Academic Standing;
10. Medical/Health Certificate; and
11. Photocopy of valid passport.

## THE PROGRAM IS CREATED TO:

1. Implement high-impact STI activities aligned with the ASEAN Plan of Action on Science, Technology Plan (NSTP) and Philippine Development Plan (PDP);
2. Attain a critical mass of graduates with Master's and PhD degrees;
3. Upgrade the qualifications of practicing engineers and scientists;
4. Upgrade the quality of engineering colleges and make engineering graduate education accessible; and
5. Develop a culture of research and development (R&D).

## THE APPLICANT MUST:

1. Be a national from Cambodia, Lao PDR or Myanmar.
2. Not be more than 45 years old at the time of application;
3. Have passed the admission requirements of the graduate program in the Philippines supported by this Project;
4. Have a BS degree in engineering or science for a Master's Degree and an MS Degree in engineering and science for the PhD degree;
5. Be endorsed by the Sending Institution in his/her home country, which expect them to be faculty staff/researcher after completion of the graduate program;
6. Meet at least one of the following academic performance standards; class rank within top 15% in their final or most recent year's class of Bachelor's degree or; cumulative Grade Point Average (CGPA) at least 3.0 in the 4-scale grade system or 7.5 in the 10 scale grading system in Bachelor's degree; or an equivalent to remarkable academic achievements with evidence support. The Certified Letter on Academic Standing is required;
7. Have sufficient English proficiency to study and carry on their research in English;
8. Not have criminal/administrative cases; and
9. Be in good health, both physically and mentally.

## SCHOLARSHIP AWARD

The scholarships cover tuition fees, monthly stipend, book allowance, transportation and group accident insurance, thesis and dissertation grants and a round-trip air ticket, in accordance with the Philippine government regulations:

1. Actual rate of tuition fee
2. Monthly Stipend:  
Php25,000/month for MS  
Php33,000/month for PhD
3. Book Allowance:  
Php10,000/semester for both PhD and MS
4. Transportation and Group Accident Insurance
5. Thesis and Dissertation Grants

DEADLINE OF SUBMISSION:

**28 FEBRUARY 2020**
