

Filipino Language Class for Filipino Children Still Open for Enrolment

Enrolment to the 2nd Batch of the Filipino Language Class for Filipino Children is still open.

Filipino parents are encouraged to enroll their children, ages 6 to 12 years old. Designed by the former Dean of the UP College of Education, the module of this class caters specifically to Pinoy kids overseas. The knowledge of the Filipino language will ensure that the Filipino children living in Cambodia continue to be connected with their roots and heritage.

With the support of Liwayway Cambodia (Food) Industries, this Filipino language class is being offered **free of charge**.

To enroll, please complete the application form below and send to the Philippine Embassy by email, phnompenh.pe@dfa.gov.ph or fax to 023 215143.

The final schedule and timing of the classes will be discussed among the volunteer teachers and the parents of the participating students.

Thank you.

Phnom Penh, 20 April 2018

Filipino Language Class for Filipino Children 2nd Batch, Module 1
